Mission Statement

St Bernadette is a Catholic School where we celebrate the uniqueness of each individual and where everyone is welcomed, valued and appreciated.

We aim to provide a caring and spiritually enriching environment where the whole school community work together to develop their full potential.

We inspire a love for lifelong learning so that everyone has pride in who they are and what they achieve.

We keep Jesus at the centre of everything we do and try to deepen our relationship with him. This is done by following His example and living out the Gospel values of love, justice, mutual respect, tolerance and forgiveness.

In doing so we reflect our motto *Laborare est Orare* which means 'Work is Prayer'.

St Bernadette Catholic Junior School

Admissions Policy

2019/2020

St Bernadette Catholic Junior School is a voluntary aided school in the Diocese of Southwark. It is in the trusteeship of the Diocese. The school is conducted by the Governing Board as part of the Catholic Church in accordance with its Trust Deed and Instrument of Government, and seek at all times to be a witness to Jesus Christ.

As Catholic schools, Catholic doctrine and practice permeates every aspect of the school's activity. It is essential that the Catholic character of the school's education is fully supported by all families in the school.

The schools exist primarily to serve the Catholic community. However, the Governing Body welcome applications, subject to the availability of places, from those of other denominations and faiths who support the religious ethos of the school.

The Governing Body has responsibility for admissions to this school and, having consulted with the local authority and other admissions authorities, intends to admit 62 pupils to the Y3 classes in the school year which begins in September 2018.

The school provides primarily for baptised Catholic children who reside in the parishes of St Bede's and St Simon and St Jude's.

Applicants applying for a place in our Year 3 classes will be required to apply via Lambeth, as well as filling in a school's supplementary information form.

St Bede's Catholic Nursery and Infant School is a Feeder* school for St Bernadette Catholic Junior School and a Junior Common Application Form (CAF) must be made for each child who wishes to transfer, in addition to a school supplementary form (SIF).

***Pupils from a Feeder School are given priority over other applicants.**

Admissions criteria (Junior school)

Where there are more applications than places available, places will be offered according to the following order of priority:

1. Looked after Catholic children or 'looked after' children in the care of Catholic families and previously looked after Catholic children who have been adopted or who have become the subject of a residence or guardianship order.
2. Pupils currently attending St Bede's Catholic Nursery and Infant School who will be 8 years old between 1st September 2018 and the 31st August 2019.
3. Baptised Catholic children, whose parents are residents of St Bede's parish, St Simon and St Jude's parish or are enrolled in the catechumenate.
4. Other baptised Catholic children.
5. Other looked after children and other previously looked after children who have been adopted or who have become the subject of a residence or guardianship order.
6. Children who are members of Eastern Christian Churches including Orthodox Churches. Evidence of Baptism or reception from the authorities of that Church will be required.
7. Children of families who are members of other Christian denominations that are part of Churches Together in England. Evidence of Baptism (or dedication) provided by a priest or minister of a designated place of worship will be required.
8. Any other children.

Oversubscription criteria (Junior school)

Where the offer of places to all the applicants in any of the categories listed above would lead to oversubscription, the following provisions will be applied:

1. Applications will be ranked in the order shown on the Supplementary Form, Highest priority to those who attend Mass weekly, then fortnightly etc. For categories 2 and 3 above, the strength of evidence of the family's Mass attendance on Sundays will increase the priority of an application within each category. This evidence must be provided by the parents and can be endorsed by a priest at the church where the family normally worships.
2. The attendance of a sibling at the Federation of St Bede's and St Bernadette schools at the time of admission will increase the priority of an application within each category.
1. The Governing Body may increase the priority of an application within a category where evidence is provided at the time of application of an exceptional social, medical or pastoral need of the child which makes the school particularly suitable for the child in question.
2. Priority being given to those who live nearest to the school. The distance from home to school is measured as a straight line from the home to the main gate of the school using the measurement supplied by the local authority derived from their computerised mapping system.

Notes These notes form part of the oversubscription criteria.

'Looked after children' has the same meaning as in Section 22 of the Children's Act 1989, and means any child in the care of a local authority or provided with accommodation by them (e.g. children with foster parents). Please note that children in private fostering arrangements are not considered looked after children.

'Catholics' include members of the Ordinariate and the Latin and Oriental Rite Churches that are in union with the Bishop of Rome. This will normally be evidenced by a certificate of baptism in a Catholic Church or a certificate of reception into full communion of the Catholic Church. For the purposes of this policy, it includes a looked after child who is part of a Catholic family where a priest's reference demonstrates that the child would have been baptised or received if it were not for their status as a looked after child (e.g. a looked after child in the process of adoption by a Catholic family).

Reference to other Christian denominations refers to other denominations that are full members of Churches Together in England.

'Catechumen' means a member of the catechumenate of a Catholic church. This will normally be evidenced through the parish priest, for example with a letter confirming enrolment.

A sibling is defined as a full brother or sister or step brother or sister living at the same address, a child who is living as part of the family unit by reason of a Court Order or a child who has been placed with foster carers as a result of being 'looked after' by the local authority.

To demonstrate an exceptional social, medical or pastoral need of the child which can be most appropriately met at this school, the Governing Body will normally require written evidence from an appropriate professional, such as a social worker, doctor or priest.

Admissions Procedure

To apply for a place at this school, you must complete and return two separate forms.

1. The **Common Application Form** available from the Local Authority where the child resides should be returned to them in paper form or online submission by the date stated on the application form.
2. The **Supplementary Information and Priest's Declaration Form** available from the school or LA website **should be completed and returned to the school.** Evidence of Baptism and a recent utility bill must accompany the Supplementary Form. Completion of a Supplementary Form is not mandatory; however, if one is not received the Governors will not be able to apply their admission criteria and the application will be considered under the 'any other applicants' category.

St Bernadette Catholic Junior School

You will be advised of the outcome of your application by a common offer date specified by the local authority. This will initially be by letter from the local authority on behalf of the school. If you are unsuccessful (unless your child gained a place at a school you ranked higher on your Common Application Form) you may ask the school for the reasons, related to the oversubscription criteria listed above, and you have the right of appeal to an independent appeal panel.

Waiting List

Parents of children who have not been offered a place at the schools may ask for their child's name to be placed on a waiting list. The waiting list, which will be maintained for 3 years will be operated using the same admissions criteria listed above. Placing a child's name on the waiting list does not guarantee that a place will become available. This does not prevent parents from exercising their right to appeal against the decision not to offer a place. It is possible that when a child is directed under the local authority's fair access protocol they will take precedence over those children already on the list.

In-year (casual) admissions

Applications for a place at the schools in-year are made using the common application form of the local authority (LA) where the child resides. This form should be returned to the same LA. The school's supplementary form should also be completed to enable the governors to rank the application in the event of there being more than one application for a place. The governors will use the same criteria to rank the application as that listed above. The offer of a place at the school will be made by the LA on behalf of the governors. In the event of the governors deciding that a place cannot be offered, parents will be offered the opportunity of placing their child's name on the waiting list. This does not prevent parents from exercising their right to appeal against the decision not to offer a place.

Admission of children outside their normal age group

Parents who are seeking a place for their child outside of their normal age group, eg, the child has experienced problems such as ill health, may request that they are admitted out of their normal age group. Governors will make decisions on the circumstances of each case and in the best interests of the child concerned. This will include taking account of the parent's views; information about the child's academic, social and emotional development; where relevant, their medical history and the views of a medical professional; whether they have previously been educated out of their normal age group, and whether they may naturally have fallen into a lower age group if it were not for being born prematurely. They will also take into account the views of the school's head teacher. When informing a parent of the decision which year group the child should be admitted to, the governors will set out clearly the reasons for their decision.

Where the governors agree to a parent's request for their child to be admitted out of their normal age group and, as a consequence of that decision, the child will be admitted to the age group to which pupils are normally admitted to the school the local authority will process the application as part of the main admissions round, (unless the parental request is made too late for this to be possible) and on the basis of the determined admission arrangements, including the application of oversubscription criteria where applicable. Parents have a statutory right to appeal against the refusal of a place at a school for which they have applied. This right does not apply if they are offered a place at the school but it is not in their preferred age group.

Pupils with a Statement of Special Educational Needs or Education, Health and Care (EHC) Plan.

The admission of pupils with a Statement of Special Educational Needs or with an EHC Plan is dealt with by an entirely separate procedure. The procedure is integral to the making and maintaining of statements and EHC plans by the pupil's home local authority. Details of this separate procedure are set out in the SEND code of practice. Pupils with a statement or EHC plan naming the school will be admitted without reference to the above criteria.

Right of Appeal

Parents whose applications for places are unsuccessful may appeal to an Independent Appeal Panel set up in accordance with section 85(3) of the School Standards and Framework Act 1998. Appeals must be made in writing and must set out the reason on which the appeal is made. Appeals should be made to the Admissions Appeals Clerk at the school address. Parents/Carers have the right to make oral representations to the Appeal Panel.
