## Please Keep Our Children Safe Outside School

In order to keep our children and neighbouring community safe please:

- Park safely in a designated space (walk part of the way if necessary)
  - Do not obstruct the school gates or park too near to them
  - Drive around the block rather than make u turns in the road
  - Do not park in Holmewood Retirement Home (next door)
  - Do not park across people's driveway - THANK YOU

Look overleaf for helpful information about fire safety in your home!

Please ensure that you speak politely to school staff at all times – who will always do their best to help you find a resolution.
