MS HOGAN IS RETIRING IN THE SUMMER

It was with great sadness that I have decided to retire from my role as Headteacher of St Bernadette School, I have been so happy working with all of our lovely families but I think it is time in my life to spend a bit more time with my own family especially my grandchildren. I will be in school until the end of the Summer Term but will advise you as soon as I can about who will be taking my place. Until then I will continue to be here to support you all in whatever way I can.

CAKE SALE

Y4 will be hosting a cake sale on Thursday 31st January.

Y4 parents please help by sending in cakes and pupils in all classes may bring up to £2 each to buy some. This is a great fundraiser for our school so please help if you can.

TRAFFIC AND PARKING

The MET Police who visited our school this week were very concerned about the parking outside school at the beginning and ends of day. They have asked us to collect and publish the car registration numbers of anyone who parks selfishly or turns in the road during school arrival or collection – **you have been warned!**

Famous Women Week

It is just over 100 years since women were allowed to vote in this country and, amazingly, in some countries they are still not allowed to vote. During the week beginning the 21st January the children will be taking part in a Famous Women Week. They will be finding out about famous women from the past, from different cultures and from all walks of life. Please support them in their learning at home during this week.
