

- The SENCO's role is to support the class teacher in planning for children with SEN.
- The school has a school development plan, including identified training needs for all staff to improve the teaching and learning of children including those with SEND. This may include whole school training on SEND and issues to support identified groups of learners in school, such as AS(Autistic Spectrum), ADHD etc.
- Whole staff training to disseminate knowledge, strategies and experience, to ensure consistency of the school's approach for children with a SEND.
- Individual teachers and support staff attend training courses run by outside agencies that are relevant to the needs of specific children in their class e.g. from the AS Outreach service, Sensory service or medical /health training to support staff in implementing care plans.

- Individual training for an identified staff member linked with the needs of a child with special educational needs and/or disabilities or identified through the school's performance management process.

Training takes place on a regular basis. If you would like to hear about the training which is currently taking place or has taken place by the staff members in the school, please speak to the Headteacher or SENCo.
