

SCHOOL CLOSED

We have now been instructed to close the school to almost all children until further notice.

Only a small number of pupils will receive provision and parents of these children have be contacted individually.

Only children with an offer of a place, whether they are key workers or not, should attend the school.

All other children will need to stay at home – Do not send your child into school from Monday 23rd March onwards.

We will keep all families updated by email, text, twitter and the website.

If you have a question or concerns regarding the closure of the school please email:
